-  Attain Senior Associate CIP Membership Level
-  Specialised Level
-  80 Credit Points

Each unit aims to develop specific technical, analytical and interpersonal knowledge and skills required to:

- effectively assist a team leader in claims and/or underwriting management
- provide quality insurance services to customers.

Insurance professionals can focus on specific areas they wish to develop by taking units as standalone short courses – or, if desired, units can be combined to attain the full Executive Certificate in Insurance.
