-  Attain Associate CIP Membership Level
-  Intermediate Level
-  80 Credit Points

Each unit aims to develop specific technical, analytical and interpersonal knowledge and skills required to:

- Effectively assist a claims or underwriting team
- Prepare and maintain relevant documentation
- Answer customer inquiries.

On completion, students will also have developed:

- Solid workplace relationship-building and communication skills
- A greater understanding of the overall industry
- Base level sector specialist knowledge

Insurance professionals can focus on specific areas they wish to develop by taking units as standalone short courses – or, if desired, units can be combined to attain the full Professional Certificate in Insurance.
