

INTERNATIONAL DIPLOMA IN INSURANCE

This is a professional insurance qualification for insurance staff working across all sectors of the industry.

It provides insurance professionals with skills and knowledge to be able to work at the highest levels of the insurance business.

The Diploma in Insurance is appropriate for:

- Insurance technicians and those who aspire to be technicians,
- Supervisors, Branch Managers, Underwriters and Claims personnel, Directors, Brokers, Bancassurers, Team Leaders, Agency and Unit Managers and those looking to assume managerial responsibilities and positions,
- Anyone wishing to hold a recognized, respected insurance qualification,
- Insurance staff employed in support functions wishing to develop their knowledge of the business,
- Those wanting to develop their knowledge and understanding as part of a progression towards completion of higher qualification.

Meeting Market Expectations

This qualification has been designed to assist you and your employer to comply with both the existing and the future regulatory training and competence requirements. The UK regulator (FCA), and increasingly regulators worldwide require you to demonstrate that you are competent in the work you do, and thereafter to maintain this competency. This approach is designed to ensure that you have appropriate knowledge and skill to perform your job effectively. Qualifications can play an important role in helping to meet the requirements by serving as an objective measurement of your technical awareness and knowledge.

Why the Diploma in Insurance?

This qualification will help your career in the following ways;

- Demonstrate to your employer, peers and customers that your commitment to personal learning and development can form part of an overall program to meet the regulator's training and competence requirements.
- Supports lifelong learning as prior study is recognized as you progress through the qualification framework.
- Diploma in Insurance awarded by CIC (UK) upon successful completion.

Accreditation

- Endorsed and recognized by regulators in many jurisdictions worldwide,
- Approved and accredited by the National Industrial Training Authority (NITA),
- Accredited by the Technical and Vocational Education and Training Authority (TVETA),
- International Diploma in Insurance awarded by CIC (UK) on successful completion,
- Approved for membership by the Australian and New Zealand Institute of Insurance and Finance (ANZIIF),
- Examinations are administered and invigilated at various centres.
